OFFICE OF THE MUZRAI COMMISSIONER IN MYSORE.

FROM

S. HIRIANNAIYA, ESQ,. M.A., B.L.,
*Muzrai Commissioner in Mysore.*

FINANCE 5 DEC 1932 No.

To

S. Shamanna, Esq., B.A.,
*Secretary to the Government of His Highness the Maharaja of Mysore.*
Financial *Department.*

SIR,

In continuation of this office letter dated 15th November '32 re: the assumption of the management of the properties of the Sri Vethiraja Matha, I have the honor to state that in accordance with the opinion of the Government Advocate, the Deputy Commissioners of Mysore, Bangalore and Hassan Districts have been requested to issue notice to tenants to surrender the lands in their possession and to take action in other cases to resume possession summarily and lease them out to the best advantage of the Matha. The Government Advocate was requested to send drafts of notices in due legal form to be issued to the debtors of the Banks in which monies belonging to the Matha have been deposited and to the Secretary to the Board of Trustees for securing possession of pro-notes, mortgage deeds, etc., in the custody of the Board. In reply, the Government Advocate states that the Secretary to Government in charge of the Law Section may be addressed in the matter in accordance with Rules. I request that draft notices as above may kindly be obtained from the Law Department and sent to me for taking further action.

2. In this connection, I beg to invite kind reference to the concluding portion of my letter dated 4th May 1932 and to state that even under ordinary circumstances the management by Government of the affairs of the Mathas is attended with considerable difficulties. Such management becomes all the more difficult when Government has to face a set of highly educated and intelligent gentlemen as

the present instance, who are opposed to the assumption of management by Government. It is to be apprehended that formal assumption of management of the endowed properties will lead to immediate litigation which the Trustees seem to be prepared to undertake and finance out of Matha funds at their disposal while Government have to find their own funds to conduct the defence. An element of doubt is always present as to whether the Trust Deed created by the Swamigalu on the 25th September 1921 can be cancelled in an informal manner and whether the Civil Courts will uphold such a procedure.

3. In view of the complications likely to issue I have thought it necessary to bring this aspect of the matter to the notice of Government.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

The affairs of the Mutt have become very complicated, and the Trustees and the debtors are not giving the full facts. The replies may be communicated to the Swami so that he may explain the situation to Government if he knows the facts fully. The information required by the District Board and the Comptroller may be furnished. Whether Parthasarathi Iyengar's charities have any money of the Mutt with them may be ascertained before further action is considered. It is necessary to ascertain the terms on which the Endowment was made by Tirumalamma ~~xxx~~ in order to know whether the Mutt is the beneficiary and whether the endowment could be cancelled. It is also necessary to ascertain who is in custody of the sum of Rs.10,000/- as Messrs. M. J. Narasimhan & M. A. Narayana Iyengar have replied that the amount is not with them. A copy of Mr. M. R. Ramanuja Iyengar's Mortgage Deed may be obtained in order to consider his liability to the Mutt. Possession of the building in Malleswaram may be taken if Government considers it advantageous to accept the terms offered by the Contractor. Whether the accounts of the Contractor are correct will have to be ascertained.

41 The Tadiyaradhanam Endowment of Rs.3375/- is stated to be over 30 or 40 years old. The Trustees were constituted only recently. Who had the money before &c., is not stated. The details are similarly wanting regarding the Sevartham Endowment of Rs.3125/-.

42 The Hypothecation Bond for Rs.1000/- executed by Ramanujiengar and others is in favour of the Secretary and Treasurer of the Board of Trustees of the Yedugiri Mutt. From what fund this amount was paid is not mentioned in the bond. This has to be ascertained. The amount however seems to belong to the Mutt and the Trustees cannot therefore claim it.

43 The Swami does not seem to know any of the details of the endowments as can be gathered from his letter dated the 2nd May 1933. It would therefore be unsafe to act on it. He does not know any details about Rs.5000/- referred to in the will of Thirunaraniengar and he does not know who has this amount now. According to the will this sum must belong to the Mutt. The terms of Thirumalamma's Endowment are not also available. The attitude of the Trustees has

The Trustees are now - reluctant to give any information so that we have got to proceed on the basis of the reports published by themselves. As Trustees they are accountable to the Mutt, and now to Government for the moneys they obtained possession of when they took over the management and also for the amounts which reached their hands until Government took over the management. The reports also show that the Swami himself was making some collections during his tours and sending them also to the Trustees. 101) This is a Suit relating to the management of Sri Yellirayaswamy during the absence of the Swamiji from the yrs 1926 1929. The proposed dft plaint seems to be in order. As regards the Cost of the Suit ~~Secured~~ estimated by the Bag. ~~Board~~, the PPr ~~Board~~ a Sum of Rs 350/ is included as advocate's fee. The PPr wants the entire amount to be kept at his disposal. Advocate's fee may perhaps be paid after the disposal of the Suit, as it is generally done in all the Cases entrusted to the PPr. The remaining amount being the Cost of institution of the Suit may perhaps be paid to him now. Subd for orders.
